Dear Chairman Price and Ranking Member Diaz-Balart:

I write today in support of an important community project in my Congressional District. As you begin crafting the Fiscal Year 2023 appropriations legislation, please consider my request to provide \$4,685,000 in funding for its Riverfront Park Project as a community project funding request. The intended recipient is the Village of North Bend, located at 21 Taylor Avenue, North Bend, Ohio 45052.

The Village of North Bend, Ohio was founded in 1789 and considers itself home to two former presidents, William Henry Harrison, 9th President of the United States and Benjamin Harrison, 23rd President of the United States. It also contains the burial site of William Henry Harrison.

The City of North Bend proposes the Riverfront Park Project to improve everyday recreation, education, exercise, and the enjoyment of a wide variety of civic and cultural events in the community. It is my understanding that the main purpose of their request is for site acquisition and implementation of Phase 1, which will lead to expansive economic development for the entire region. The project is currently located in a low to moderate income area of North Bend, Ohio, however, this project will benefit surrounding communities in the tri-state area.

As you continue to assess appropriations requests, I ask that you give every consideration of this community project in my Congressional District to promote economic development in North Bend, Ohio and surrounding communities. Thank you for your consideration of this important request.

Sincerely,

Steve Chabot (OH-01)

Dear Chairwoman DeLauro and Ranking Member Granger:

I am requesting funding for a Riverfront Project in Fiscal Year 2023. The entity to receive funding for this project is the Village of North Bend, located at 21 Taylor Avenue, North Bend, Ohio 45052. The funding would be used to complete a redevelopment project to increase economic development in the community.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Steve Chabot (OH-01)
